# A New Departure

---

Heretofore every three years Monmouth College has made her Alumni List a part of her general catalogue. "The Triennial" has thus come to be regarded as an established institution. It has been a welcome visitor to far scattered homes.

With the growing of the Alumni List the question has been raised from time to time—"Would it not be better to have the list issued apart from the general catalogue?" This question has been asked so often and has become so insistent that it has led to the making of the experiment. We are this year, therefore, issuing two bulletins; one the general catalogue edition and the other the alumni. One is known as "Monmouth College Bulletin Series XXVI No. 1 Catalog Edition," and the other as "Monmouth College Bulletin Series XXVI No. 2 Alumni Edition."

We trust this will be a welcome change to our alumni. It may have its disadvantages but these we hope will be more than over balanced by the advantages.

We have tried to make this "Alumni Edition" as complete and accurate as possible. We have failed sometimes because repeated requests have failed to bring from individuals the answers we have sought. If you detect any errors, therefore, we would welcome your correction. Your co-operation in keeping this book up to date is solicited. It is our hope that at some time in the near future it may contain not only the names of graduates but of all old students as well.

We trust that by this "Alumni Edition" you may as Monmouth men and women revive old memories and be brought in touch again with some whom you have "lost awhile."

Your Alma Mater's best wishes go out to you thru this booklet with its record of the achievements and successes of more than two thousand graduates.

## Forms of Bequests

---

I give and devise to the Trustees of the Monmouth College, Monmouth, Illinois, the sum of \$..... or the following property, viz.: (Specify the same) for the use and purposes for which said trustees are authorized by law to take and hold property; and I authorize my executor to pay the same to the order in writing of the Trustees.

I give, devise and bequeath to the Trustees of the Monmouth College, Monmouth, Illinois, the sum of \$..... to be devoted by them to (here specify purpose) and do authorize my executor to pay the same to them, or their authorized agent, upon demand.

Special care should be taken that bequests be made according to the laws of the state governing them.

### ANNUITIES

Some prefer to deed their property to the College and receive an annuity from the college during the remainder of their lives. This relieves them from the care of the property, insures them an income as long as they live and assures them that their money will be a blessing after they are gone.
